

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, D. C.

ORDER NO. 904

IN THE MATTER OF:

Served January 15, 1969

Application of D. C. Transit)
System, Inc., for Authority)
to Increase Fares.)

Application No. 505

Docket No. 186

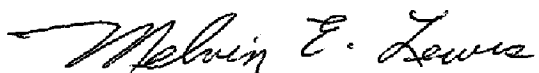

On January 13, 1969, the Democratic Central Committee of the District of Columbia and others filed an application for reconsideration of Order No. 894, which was issued December 13, 1968. That same pleading sought reconsideration of Order No. 895 served December 13, 1968, in Docket No. 194, which is a proceeding separate and distinct from this Docket. Our decision as to the Docket 194 matter will be treated separately, in a companion order issued this date.

Various allegations of error are made, with varying degrees of specificity. The Commission has reviewed the record in light of the assertions contained in the application for reconsideration. The contentions are simply restatements of arguments previously made to the Commission. Indeed, the entire filing is essentially a verbatim restatement of material filed with us in previous petitions for rehearing by the same parties in connection with our Orders 880 and 773.

The substance of the allegations was adequately considered by us in arriving at our decision in Order No. 894. No new facts or arguments are called to our attention which would be cause for granting rehearing or disturbing our opinion. The Commission finds that the portion of the application for reconsideration relating to Order No. 894 should be denied.

THEREFORE, IT IS ORDERED, that the application of the Democratic Central Committee of the District of Columbia and others for reconsideration of Order No. 894 be, and it is hereby, denied.

BY DIRECTION OF THE COMMISSION:

MELVIN E. LEWIS
Executive Director
